5. Possible Safety Projects for 2010

Background:

City staff is considering the following safety and safety related projects for summer 2010:

Arterial and Collector Street Projects

- 12th and Greenwood pedestrian crossing (60% designed)
- Colorado bike lanes and curb improvements at Simpson and Columbia intersections (60% designed)
- Simpson and Mt. Washington roundabout design

Local Street Safety Projects

- Daggett Lane traffic circles and crossings (60% designed)
- Tempest pedestrian crossing (60% designed)

Attachments: None

Action Requested : Discussion

6. High Priority Safety Projects from Citizen Service Requests

Background:

The Transportation Engineering Division and Police Department have a lack of resources and a growing number of requests from the public for traffic calming or related requests. Transportation Engineering and Police are considering a joint effort to form a program to focus on high crash locations. Attachments: None

Action Request: Discussion
